

Dear LIT Applicants and Parents:

Summer will be here before we know it. It's time to start thinking about *Summer Adventures 2012*. I have included the LIT program overview below, as well as the application and reference forms. Please complete and submit application and **two** reference forms to the Center. There is no deadline for applying, but spaces will be filled by approved applicants on a first come-first served basis. Upon placement, we will send you an acceptance packet, with necessary forms, and inform you of the week you will be assigned. Please allow 2-3 weeks to receive confirmation. **Confirmation will be received via email so please provide a working email address!** Please understand that past participation does NOT guarantee placement.

The LIT program is a tiered program allowing for more progression and development of skills and interests. All new LITs will begin in Phase 1. This phase will be the "traditional" program we have offered in the past. Phase 2 is for participants that have been LITs for at least one summer previously. This phase will allow LITs to pick a focus and spend their week at that area to learn the specifics of that part of the program. These phases are described further in the **Role of a LIT** below.

Purpose

The LIT program was developed to help guide youth as they hone and develop their leadership skills. The Camping Program will increase awareness of personal responsibility and character development. The program strives to provide youth with necessary life skills for lifelong fulfillment.

Qualifications

The program is designed to provide youth with leadership skills in a residential camp setting. Youth between the ages of 15-17, and meet current camper physical requirements, are considered candidates and are encouraged to apply.

Selection Process

Any youth wishing to participate in the program should obtain an application from the camp they wish to attend. The applicants will be considered on a first come first served basis, as long as spaces are available. All applicants are required **two** written references from an adult other than a relative. County 4-H Agents should refer any 4-H youth interested to the Center they wish to attend. Agents are also encouraged to be references for applicants. Past participation does not guarantee placement.

After reviewing the **FULL** application of all materials and references, candidates will be notified to the status of their application, within 2-3 weeks of receipt. The camp may conduct an interview with the applicant if needed. Regardless of the number of years a person has an association with a camp, the process starts new each year with a new application. The Center reserves the right to reject any candidate that lacks the maturity to be a role model for children.

Role of a LIT

Phase 1 LIT's will spend 1/2-3/4 of their time shadowing a cabin counselor or activity instructor. The rest of the time will be divided between teambuilding/high ropes, leadership workshop, and program set-up. They will also be able to pick a program area to assist in during designated times. This phase allows the participant a broad view of camp and experiences all it has to offer. Phase 2 allows the LIT to focus on an activity or area of camp that he/she has an interest. The participant will spend the majority of the week assisting in this area. The LIT may choose a focus in cabin counseling or one of the activity areas such as horseback riding, canoeing, archery, etc.

The Program is designed to allow youth a leadership role in our camp settings. The LIT will be assigned a staff mentor for the week. To protect the camp and LIT's, they will not be allowed to supervise children alone. Behavior must be professional and beyond reproach. Any violations of camp policy will be dealt with by the appropriate action and may result in immediate removal from the program. All LIT's are limited to 2 weeks participation, per summer. LIT's will be placed with campers with at least 2 years difference in age.

Progression

By having a tiered program, participants can explore different aspects of the camp program. This allows them to develop their skills in a variety of areas or focus on a specific activity. Additional opportunities are provided by attending the various teen camps offered by the 4-H Centers. Each camp has its own program and this allows for a greater diversity of experiences. All programs are based on providing leadership opportunities and developing life skills. The program is designed to promote the development of life skills. Some exceptional participants may be asked to apply for paid staff positions. However, **even successful completion of the program does NOT indicate a "graduation" into a staff position.** Please understand this.

Fees

- \$375
- **LIT Orientation is required for the \$375 rate.** Any LIT not completing the orientation will be required to pay the full **\$475** camping fee. LIT orientation will be conducted through on-line trainings for summer 2012. Directions to enroll in the on-line trainings will be sent out with the acceptance packets.
- Fees will NOT be refunded due to poor performance or unacceptable behavior.
