

Betsy-Jeff Penn 4-H Educational Center
2024-2025 Prices for Educational Fall/Spring Programs

The Penn 4-H Center offers 2 different educational programs for 1, 2, and 3-day experiences. All educational programming is lead by trained Penn 4-H Center staff members.

Group size requirements are a minimum of 30 students for both overnight trips and day trips. Our maximum number of participants is around 130 students depending on the program, although scheduling accommodations can be made for larger groups. In most cases a deposit of \$150 per day of programs is required to hold dates.

½ Day programs: -Groups may choose morning or afternoon sessions.

½ day sessions are 9:00am-12:00 OR 1:00 – 4:00. ½ day programs are available for our Environmental Education Program as well as our Soaring Thru Spaces program (No high ropes).

½ day program: \$15/student – No meals included

** Total group size may determine what Env Ed classes can be chosen **

1 Day programs – Groups can arrive as early as 8:30am and stay as late as 5:00pm. Extended day options may also be available. These prices do not include any meals served by the Center, however meals can be provided for an additional fee. Adults are not charged for day programs unless a meal is provided in which case all adults attending will be charged for the meal.
